BARKEY PARK RULES AND REGULATIONS

We want you and your dog to have a fun and safe time. By entering this PRIVATE park you agree to be legally and financially responsible for any injury caused by your dog, and abide by these rules.

Please do not enter the run if you are not confident about your dog's ability to interact safely with other people and dogs.

We have a separate run available for private rental for those dogs that "don't play well with others"!

- Dogs must be registered and have a valid membership before entering park. You must check in inside the store every time you visit.
- Dogs over 6 months must be spayed or neutered.
- Dogs must be healthy, vaccinated, and collared with current rabies & ID tags, and bordetella shots are strongly recommended.
- Choke, prong and spike collars are not allowed.
- Puppies under 6 months are prohibited.
- Limit of three dogs from a household per handler.
- Children under 14 years are prohibited from entering fenced dog park area. Children under 16 years must be accompanied by an adult and should not run, chase dogs, or pet other people's dogs. Children are not allowed to bring toys into the Park.
- When entering the dog park, remove your dog's leash only in the "air lock" area. Dogs must be on leash and under control by their owners/handlers at all times when outside of fenced park area. Owners must carry a leash at all times.
- Dog park gates must be closed immediately after entering or exiting the park.
- Only small (under 25 lbs.) or special needs dogs are allowed to use the small dog area during shared park use. Please check in to make sure the run has not been reserved for private use at this time.
- Owners/handlers must discourage their dogs from running to meet other dogs at the gate.
- Dogs showing aggression toward people or other animals must be leashed and immediately removed from the park by owners/handlers. If your dog gets into a fight or injures another dog, immediately leash your dog, exchange contact information with the other owner and remove your dog from the run.
- Owners/handlers must remain inside of fenced area, with leash in hand, and within view and voice control of their dogs at all times. If you must leave for a short time for any reason, ask a daycare attendant to supervise your dog in your absence.
- Owners/handlers must immediately clean up after their dog(s) and properly dispose of waste. Plastic bags and garbage cans are available on the premises.
- Owners/handlers must stop their dogs from digging and immediately fill any holes dug. Please be respectful of our neighbors and do not allow your dogs to dig under the fence. Notify staff if any problems with the fence are discovered.
- No dog treats, rawhides chews or human food within fenced area. No glass containers are allowed. No smoking, alcoholic beverages, illegal drugs or firearms allowed in park.
- No toys except balls or Frisbees.
- You must supervise your dog at all time and be able to give your dog your full attention. Please minimize use of electronic devices during this time with your dog!
-

I acknowledge that I have read and received the Barkey Park rules and agree to abide by these rules at all times. I understand that violations to the Barkey Park rules is cause for revocation of my Barkey Park membership without refund and that these rules are subject to change at any time.
